Agency of Education

March 3, 2014

Dear Vermont Homeschoolers,

As you may already know, the Agency of Education is moving from Montpelier to Barre. We are scheduled to move on March 15, 2014.

All phone calls and mail will be forwarded to us during the transition. The best way to contact us during this time would be through our email addresses which will not change.

Beginning this year, we will not be doing a mass mailing of home study enrollment forms packets to homeschool families in March. Once we are settled, we will contact you with our new address, phone and fax numbers. Also, at this time, the 2014-2015 home study forms, with the new contact information, will be available on our website. (<http://education.vermont.gov/homestudy>)

If you cannot access the 2014-2015 home study enrollment forms online, please contact our office and request that a packet be mailed to you.

Thank you for your patience and understanding!

Sincerely,

Karen Agnew
